7b-2 Samuel Watson Mutch

d. 6 Jun 1919 at Aberdeen, m. 1912 to Ann Wallace **Munro**. *He served with the Gordon Highlanders in WW 1. Although he died on 6 June 1919, he is listed on the Commonwealth War Graves Commission site as a "Commonwealth War Dead". Presumably he died from injuries suffered during the war. The CWGC records that he is buried at Allenvale Cemetery in Aberdeen.*

The Scotlandspeople index of marriages has a very curious listing for Samuel's marriage in 1912. It has his marriage indexed under the War and Service Returns (which unfortunately means No Image is available on-line). However under the same reference number (056/AF 0053), it lists his spouse under 4 completely different names; Flora McCorquodale, Isabella McLean, Ann Wallace Munro and Elizabeth Welsh). I have recorded her as Ann Wallace Munro as that is the name shown on the CWGC site.
